public-relations@linnareaphotoclub.org

Outdoor Field Workshops: On Sunday, May 2nd, Lewis Kemper will be teaching two outdoor field photography workshops where you can practice what you learned in the seminar. The morning field workshop is for Advanced Photographers (time and location TBA). The afternoon workshop is for Beginning Photographers (to be held at Wickiup Outdoor Learning Center, time TBA).

Cost: The workshops are \$45 per photographer. There is a maximum of twenty photographers per workshop.

Registration: You can register for either of these workshops online at www.linnareaphotoclub.org.

About Lewis Kemper: Lewis Kemper has been photographing the natural beauty of North America and its park lands for over 29 years, specializing in nature and outdoor photography. Lewis photographs in color using 35mm and 4x5 cameras. Currently, Lewis is a contributing editor to *Outdoor Photographer* and *PC Photo* magazines. He is one of Canon USA's elite group of photographers with the Explorers of Light program.
